

Dies Optimus

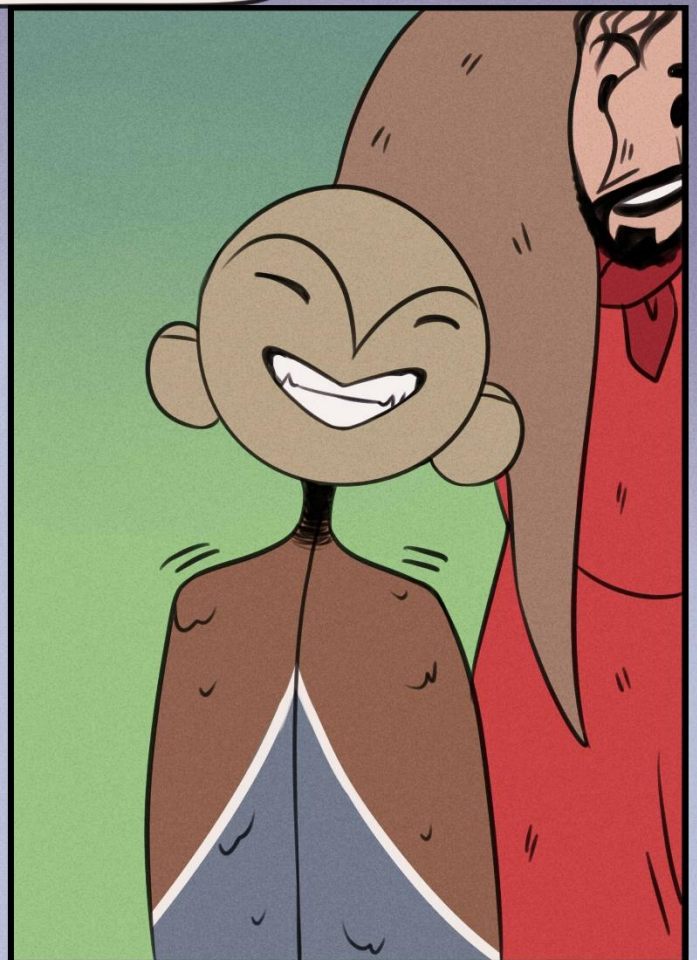

a Latin graphic novel

by Ace Chisholm

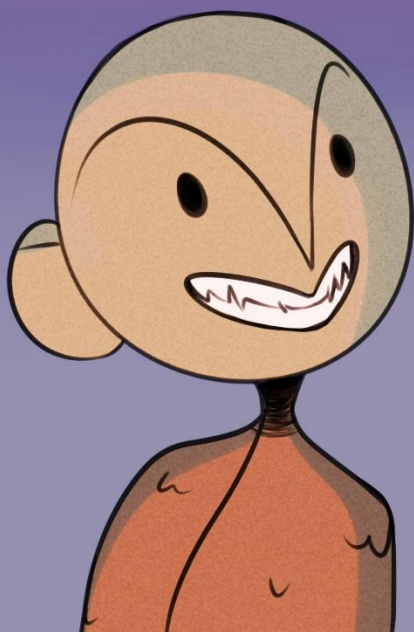

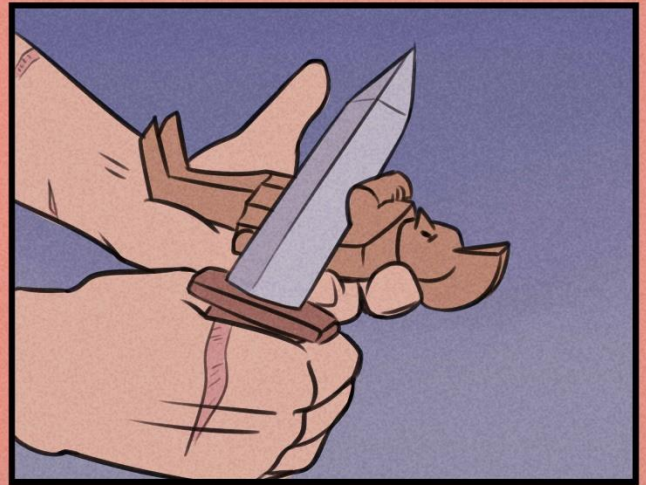

Res in itinere gestas exposuerunt. Erant magni fortesque milites
et fecerant multa admiranda. Mihi de familiis narraverunt, a quibus
discesserant et ad quas sperabant se mox redituros esse.

A me nomen
quaesiverunt et pater
quo genere ortus esset.

Dixi mihi
nomen Alcedinostam
esse; neque mihi ullum
patrem sed multas
matres feroces esse.
Ille riserunt et fortem
me vocaverunt.

Quid facis?

Lignum scalpo.
Videsne?

Quid
est?

Vir, miles
similis nobis.

Visne hab—

Scilicet volo!

Bene, igitur tuum est.

Ad feroces matres
redeas. Nox est.

Ita vero.

Miles ille nunc est
tuus et tu dux eius.
Duc bene.

Gratias ago, ducam
optime! Hoc donum
optimum!

Hic est *dies*
optimus
vitae meae!
